FEATURED MODEL	Powertower Pecolift

The Powertower Pecolift Work Platform offers a range of features including:

- It offers a maximum working height of 3.50 meters, making it ideal for low-level access tasks.
- No batteries or hydraulic systems are required, making it eco-friendly and virtually maintenance-free.
- It is intuitive and easy to operate, with smooth and effortless elevation and descent.
- The design ensures unlimited lift cycles, allowing for 24/7 operation without downtime.
