10m working height narrow electric scissor lift offers a range of features:

- Quiet, compact and versatile package with zero emissions
- Capable of manoeuvring in confined indoor and outdoor job sites, suitable for a wide range of construction, maintenance, and industrial applications
- Extended platform provides extra working area and allows for quick and easy up and over access
- Guard rails easily fold down to reduce stowed height for transportation and to pass through standard doorways

The information provided is for guidance only. It may change at any time in accordance with manufacturer's specification.

*Minimum height reference to stowed height with guardrails down where applicable.
