WILSON

ACCESS HIRE

Wumag WT370 truck mounted cherry picker has a reach height of 37.00m, a 29.50m outreach and an outstanding 600kg basket capacity. The Wumag WT370 is ideally suited to many applications such as the telecoms sector, media and TV, surveying and highway maintenance jobs that require working at height. This machine is supplied with an experienced and fully qualified operator and is available to hire.

The information provided is for guidance only. It may change at any time in accordance with manufacturer's specification. Variable jacking will affect the working envelope. Outreach is variable depending on load, angle of rotation and outrigger configuration.
